

FUMANA International was founded in May 2002 by Moira Henkel, a South African foreign national.

FUMANA'S combined business experience totals some 80 years across the field of project management, marketing, sales, administration, financials, investment banking, logistics and company development.

This first hand knowledge of South African business is strengthened by a realistic, streetwise understanding of South Africa.

Thus providing U.S. Wine Distributors and Business to Business the opportunity to offer World Class vibrant South African wines to their consumers.

Gretchen V. Henkel is a naturalized United States of America citizen that holds a degree in criminal justice. A board member of Fumana International family owned business. Her portfolio at Fumana Wines includes International Compliance, Sales and Marketing. Her Career in hospitality started as her first job during high school. She has since been in the hospitality industry for over 15years, currently pursuing a degree at Kennesaw State University in political science.

Gretchen loves wines, customer service and helping people.
